

PawShield FureverPremier

Policy contract — WA resident edition (Version 3)

The FureverPremier plan provides the most extensive coverage available from PawShield. In addition to all benefits of PawPlus, FureverPremier policyholders may elect the optional Wellness Rider, which reimburses routine preventive care including vaccinations, annual exams, dental cleanings, and (for puppies and kittens) spay or neuter procedures.

Section 1

1.1 Definitions

For the purposes of this policy: "Pet" means the animal listed on the declarations page of this contract. "Policyholder" means the named adult listed as account-holder. "Covered Veterinarian" means any licensed veterinarian practicing in the United States, subject to the Network Status provisions of Section 2.4. "Reimbursable Amount" means the amount actually paid out by PawShield after application of the annual deductible and the per-claim copay percentage as specified in the declarations page.

1.2 Contract overview

This insurance contract is between the Policyholder and PawShield Insurance Inc. ("PawShield"). It governs the reimbursement of veterinary expenses incurred by the Policyholder for the care of the named Pet, subject to the terms, limits, and exclusions set forth herein. Coverage is limited to expenses incurred during the Policyholder's Policy Period as listed on the declarations page.

Section 2

2.1 Covered services

Subject to Section 4 (Exclusions) and the applicable deductible and copay, this policy reimburses the Policyholder for veterinary services rendered to the Pet that fall into the following categories: (a) accident-related diagnosis and treatment; (b) illness-related diagnosis and treatment; (c) prescription medications; (d) emergency and specialty care; and (e) for policies including the wellness rider, routine preventive care as enumerated in Section 2.3.

2.4 Network status

A Covered Veterinarian may be classified as either "in-network" or "out-of-network". In-network claims are reimbursed at the copay percentage specified on the declarations page. Out-of-network claims are reimbursed at five (5) percentage points below the in-network rate. A list of in-network veterinarians is maintained on the PawShield website and is updated quarterly.

Section 3

3.1 Filing a claim

Claims must be submitted within ninety (90) days of the date of service. To submit a claim, the Policyholder should upload an itemized invoice from the Covered Veterinarian via the PawShield mobile application or the claims portal at claims.pawshield.com. Claims will be processed within seventy-two (72) hours of receipt of a complete submission.

3.2 Reimbursement calculation

For each approved claim, the Reimbursable Amount is calculated as follows: $\text{Reimbursable Amount} = (\text{Amount Billed} - \text{Outstanding Annual Deductible}) \times \text{Copay Percentage}$ The annual deductible is satisfied across all claims filed during the Policy Year on a per-Pet basis. Once the annual deductible is fully paid for a given Policy Year, subsequent claims within that year are not subject to deductible

deduction.

3.3 Pending claims

A claim may be marked "pending" if the submission requires additional documentation, if the Covered Veterinarian's credentials require verification, or if a pre-existing condition review is in progress.

Pending claims will not be reimbursed until they reach a terminal status of "approved", "partial_reimbursement", or "denied".

Section 4

4.1 General exclusions

The following are not eligible for reimbursement under any tier of this policy: (a) elective cosmetic procedures; (b) breeding-related services; (c) services rendered by a non-licensed practitioner; (d) services rendered outside the United States; (e) experimental treatments not yet approved by the FDA for veterinary use.

4.2 Pre-existing condition exclusion

A condition is "pre-existing" if it was diagnosed, treated, or presented clinical signs in the twelve (12) months preceding the policy effective date. Claims for the treatment of pre-existing conditions are excluded from coverage unless the condition is bilateral and the other side has been continuously covered.

4.3 Waiting periods

No coverage is available for the first fourteen (14) days following the policy effective date, except in the case of accidental injury. Coverage for orthopedic conditions (including hip dysplasia and cruciate ligament injuries) is not available for the first six (6) months.

Section 4 — Exclusions

This section enumerates the conditions, services, and circumstances under which PawShield will not reimburse a claim. Policyholders are responsible for reviewing this section carefully.

4.1 General exclusions

The following are not eligible for reimbursement under any tier of this policy: (a) elective cosmetic procedures; (b) breeding-related services; (c) services rendered by a non-licensed practitioner; (d) services rendered outside the United States; (e) experimental treatments not yet approved by the FDA for veterinary use.

4.2 Pre-existing condition exclusion

A condition is "pre-existing" if it was diagnosed, treated, or presented clinical signs in the twelve (12) months preceding the policy effective date. Claims for the treatment of pre-existing conditions are excluded from coverage unless the condition is bilateral and the other side has been continuously covered.

4.3 Waiting periods

No coverage is available for the first fourteen (14) days following the policy effective date, except in the case of accidental injury. Coverage for orthopedic conditions (including hip dysplasia and cruciate ligament injuries) is not available for the first six (6) months.

4.7 Chronic condition exclusions and reimbursement handling

A "chronic condition" is defined for purposes of this policy as any condition that: (i) has been diagnosed in the Pet by a Covered Veterinarian, AND (ii) is expected to require ongoing treatment beyond a single episode of care, AND (iii) is documented in the Pet's medical record at the policy effective date or develops during the Policy Period.

Chronic conditions that develop AFTER the policy effective date are eligible for reimbursement under the terms of this policy, including coverage for recurrent episodes related to the same chronic diagnosis.

IMPORTANT — Multiple claims arising from a single chronic condition are treated for deductible purposes as belonging to ONE condition, not several. Once the Policyholder has satisfied the annual deductible through any single claim related to that chronic condition during a given Policy Year, subsequent claims relating to the SAME chronic condition within that same Policy Year shall be reimbursed without any further deductible deduction, calculated only at the copay percentage.

Acute conditions (single-episode injuries or illnesses unrelated to any prior chronic diagnosis) are treated as separate claims for deductible purposes and each may independently contribute to satisfaction of the annual deductible.

In the event a claim is initially processed under acute-condition rules but is subsequently determined to relate to a previously documented chronic condition, the Policyholder is entitled to a reimbursement adjustment equal to the deductible amount that was incorrectly deducted. The Policyholder may request such adjustment by contacting PawShield within ninety (90) days of the original claim decision.
